SECTION 2: PARENT / LEGAL GUARDIAN CONSENT	•	

- I understand: No medication will be given at school until this authorization has been approved by a school nurse. New authorization forms are required at the beginning of every school year, when the dose or directions change, and when a new medication is prescribed. It is my responsibility to supply the medication. Each medication must be in the original labeled container from the pharmacy or healthcare provider's office. Some pharmacies will provide an extra container for school use. Information about this medication and my child's health may be shared with school staff or agents of the school to help assure my child's safety and success at school. The school nurse may contact the healthcare provider who prescribed the medication and the pharmacy where the prescription was filled to discuss this medication and my child's health. Medications are given by a nurse or trained CMS staff.
- I give permission for my child to receive the medication described above during school hours. I give permission for the healthcare provider, pharmacist and their staff to provide information to the school nurse about this medication and my child's health.
- On behalf of my child, I release the Charlotte-Mecklenburg Board of Education, their agents and employees from any and all liability whatsoever that may result from my child taking this medication at school.
